**TRENTHAM ESTATE**

Trentham Estate Winery, nestled on the banks of the Murray River at Trentham Cliffs, is known for its premium wines crafted from the region's ideal red loam & limestone soils. Benny's father, raised on the family farm, worked the acres where select grapes were harvested & sent to Trentham Estate for pressing. Though no longer working the land, the spirit of seasonal change & the artistry of crafting something special continues in the design of Benny's Espresso.
